WE CREATE IMPECCABLE LIGHT
WITH EVERY DETAIL CONSIDERED
THE IMPORTANCE OF DETAILS.

With an eye on new tendencies, we are constantly broadening our collections, taking into consideration the specificities of different markets. The Maytoni Design Studio develops new products and studies the latest trends to offer smart lighting solutions to our clients.
We take part to the most important trade shows worldwide: Light+Building, Maison et Objet, Mos-Build, I Saloni.

We are a young, dynamic and fast-growing company based in Germany.
We offer a big variety of decorative products for all tastes, needs and markets: from classic to modern, from technical to outdoor.
Being operative in more than 30 countries gives us an international approach to new trends and opportunities.
